

If You Answer “Yes” You Might Have a Technology Inventory Problem

4 of 6 in a Tangoe infographic series on Inventory Management

TRACKING KEY METRICS

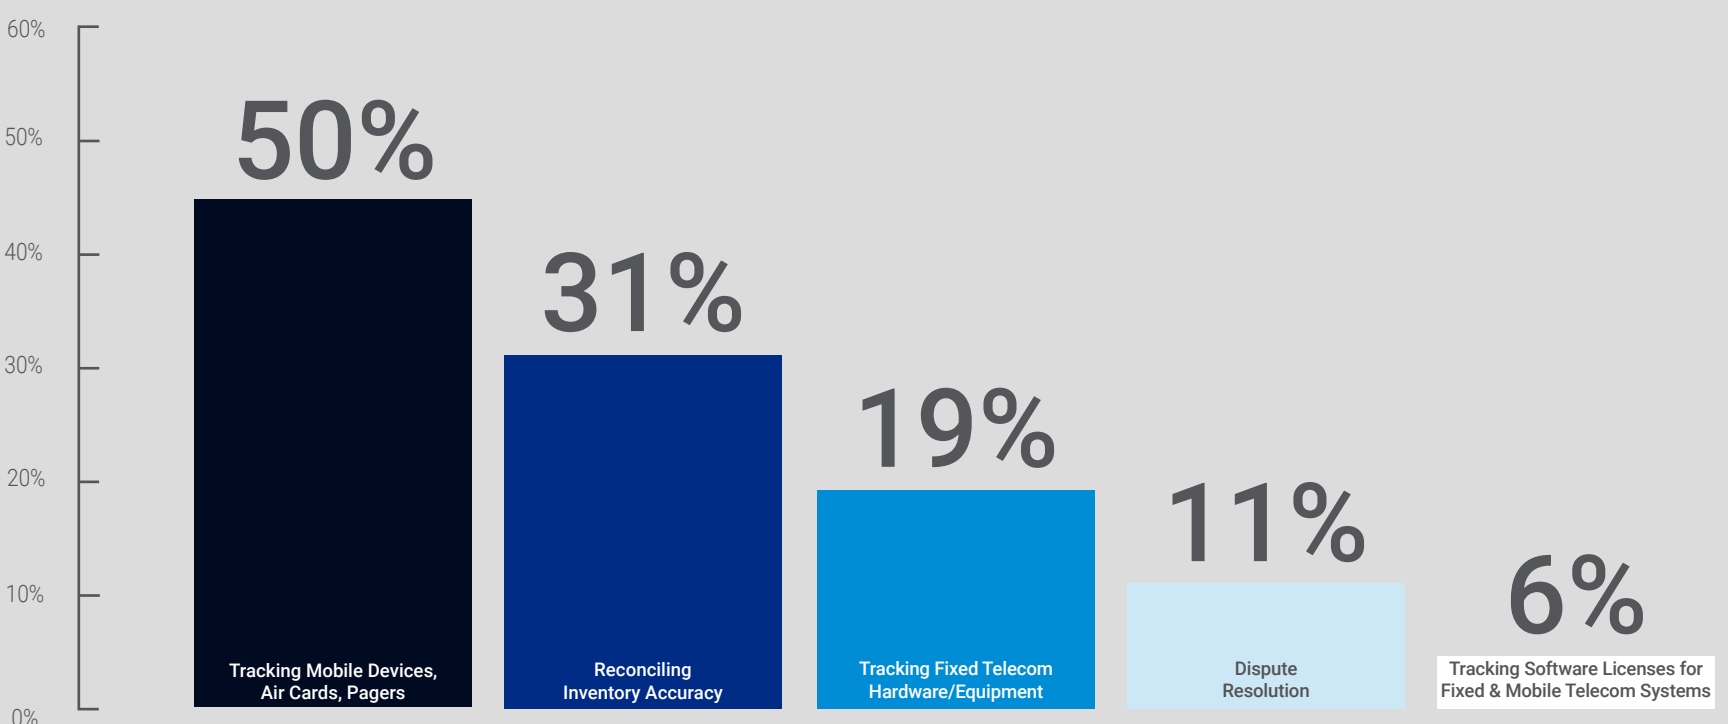

Have you established metrics for inventory accuracy and do you monitor these every month?

Measure Inventory Accuracy

$$\frac{\text{\# of services} - \text{\# of monthly MACD tickets}}{\text{\# of services}}$$

(Inventory Accuracy Rate)

Asset Inventory Management Activities Taking The Most Time

Measure inventory accuracy on a regular basis to monitor progress and performance.

To learn more about establishing inventory accuracy in your organization, access [AOTMP's white paper](#) on addressing the telecom-IT inventory conundrum.
